

## CALIFORNIA BUILDING OFFICIALS (CALBO),

Founded in 1962, is a nonprofit professional association of city/county building departments and industry representatives. Just as the League of California Cities and the California State Association of Counties represent local government, CALBO represents the local building department.

This training will keep you up-to-date on disaster preparedness plans, disabled accessibility laws, AB 717 requirements, as well as changes to building, electrical, plumbing, mechanical, seismic safety codes and much more.
