2009—2010 Membership Information Inside

CALIFORNIA BUILDING OFFICIALS (CALBO),

Founded in 1962, is a nonprofit professional association of city/county building departments and industry representatives. Just as the League of California Cities and the California State Association of Counties represent local government, CALBO represents the local building department.

CALBO TRAINING INSTITUTE (CTI),

CALBO's education arm, offers professional training and development at a discount to all CALBO members. This training will keep you up-to-date on disaster preparedness plans, disabled accessibility laws, AB 717 requirements, as well as changes to building, electrical, plumbing, mechanical, seismic safety codes and much more.
