

SUPPORT THE CALBO FOUNDATION!

California Building Officials (CALBO) established the CALBO Foundation, a separate but related organization, to undertake educational and philanthropic projects that safeguard the health, safety and welfare of our communities. Through the promotion of strong, sustainable building practices, the CALBO Foundation hopes to make the state of California, and the neighborhoods we protect, safer places to live, work and play.

The CALBO Foundation is a nonprofit, public charity incorporated in California and exempt from federal income taxation under Sections 501(c)(3) of the Internal Revenue Code. Contributions to the CALBO Foundation are tax deductible, as provided by law.
