

BUILDING SAFETY MONTH

Join CALBO in May as we celebrate Building Safety Month with a series of professional development opportunities that go beyond the usual code books. Dive into a variety of dynamic and enriching leadership training designed to empower and educate the municipal leader. Don't miss this chance to be at the forefront of your professional development journey!

CALBO Annual Virtual Career Expo

Wednesday, April 30, 2025

Join CALBO for the Annual Virtual Career Expo in collaboration with Diablo Valley College (DVC) Workforce Development team! Open to job seekers and students statewide, especially those interested in building safety careers. Building Departments and private service providers can **connect with the next generation** of officials and department staff. This event offers broad outreach beyond geographical limits.

Building Officials Leadership Academy - Sold Out!

Monday, May 5 – Friday, May 9, 2025

Costa Mesa, California

For more than ten years, BOLA has provided executive-level coursework and networking for **experienced public safety professionals** in California's building departments. The core curriculum consists of five training days, with three elective courses available at CALBO Education Weeks. Participants receive mentorship, connect with building safety leaders, and engage with State Agencies, for enriching growth and networking opportunities. Join the waitlist for the Spring 2026 Academy.

CALBO Leadership and Advocacy Day

Wednesday, May 14, 2025

Sacramento, California - Free Member Benefit

Take part in CALBO's efforts in Sacramento to **enlighten decision-makers about our profession**. Showcase local building department achievements, foster relationships with legislators, and advocate for policies that uphold community interests. Connect with Senators and Assembly members to promote CALBO's mission and advocate for the interests of local building departments.

Speak with Impact: Boosting Your Public Speaking Skills and Confidence

Wednesday, May 21, 2025 from 10:00-11:00am

Virtual - Free Member Benefit

ICC PPP Course: 46472 (0.1 CEUs)

Public speaking can feel intimidating—even nerve-wracking. But it doesn't have to be.

In this one-hour webinar, attendees learn **practical public speaking strategies and proven techniques** to craft clear messages, design impactful slides, present with confidence and reduce anxiety — so your audience not only hears your message but remembers it. Building safety professionals of all levels are encouraged to attend.
