CALBO's Job Fair & Career Development Day

As part of CALBO's commitment to advancing our profession and fostering the next generation of code officials, our fourth consecutive CALBO Job Fair is back! Looking for a job, or seeking to advance professionally? Why not take a stroll around the Expo Hall and speak with representatives from community colleges, vocational programs and industry representatives? CALBO's Outreach & Communications Committee has been hard at work to provide this valuable forum for professional development. In addition to industry partners highlighting their programs, CALBO supplied mentors will be available to offer professional advice and resume building.

2016 CBC Chapter 11B: Accessibility in Public Buildings, Public Accommodations, Commercial Buildings and Public Housing

This course provides attendees with a working understanding of the 2016 updates to the disabled-access provisions contained in the California Building Code, with an emphasis on the interpretations and intent of selected administrative, scoping and updated technical requirements. Discussion and lecture will assist users of the code with inspections and plan reviews. Supporting documents (ASTM, ANSI, Guidelines, Best Practices, etc.), tools of the trade, and inspection techniques are explored throughout the course. Local jurisdictional staff (building department, public works, parks and recreations, etc.), architects, designers, contractors, and business owners/managers are encouraged to attend. The course meets the following continuing educational requirements:

- (1) HSC requirements for building department personnel
- (2) BPC requirements for CALicensed Architects
- (3) AIACES HSW Learning Units for AIA members
- (4) Title 21 requirements for Certified Access Specialist (CAsp)

9:00am – 4:30pm | Bayview II

How to Begin Social Media for Your Jurisdiction

In addition to ensuring public safety through plan checking, inspections, and code enforcement, public outreach is an equally important task for any building department. In this course, attendees will learn how to leverage social media platforms to establish a digital public outreach strategy, gain community support, and get real-time feedback on the jurisdiction services. Along with gaining a better understanding of online communities, attendees will learn about building their own strategies, establishing an online voice, creating online content, defining target audiences, identifying important trends, and monitoring online posts and responses. Attendees will also explore common social media myths and mistakes to managing social media or platforms to achieve your department's goals, whether it is creating public trust or spotlighting awareness of your department.

9:00am – 4:30pm | Bayview III

Wildland-Urban Interface

The collaboration between fire and building departments has always been essential; this was recently proven with the recent wildland fires throughout California. In this course, special focus will be given to California's Wildland-Urban Interface (WUI) Codes, and its development process. Case studies are reviewed and analyzed in the course discussion as well. This course assists in exploring resources and essential information to help building departments prepare for and respond to the effects of fires in Wildland-Urban Interface.

10:00am – 11:30am | Mission II

Past Presidents Association Meeting

12:15pm – 1:15pm | Banyan Court

BOLA Graduation Luncheon

Come celebrate the achievements of the Building Officials Leadership Academy (BOLA) Class of 2019 at the BOLA Graduation Ceremony Luncheon. The BOLA program is an intensive program designed and implemented by the CALBO Training Institute to maximize the leadership capabilities of seasoned public-safety professionals. These graduates have worked tirelessly, both independently and collectively, to complete the program in preparation for their future careers within California's Building Departments. We are proud to honor the new additions to the BOLA alumni network that continues to grow each year. This luncheon is open to all registered ABM attendees.
