

Today will be a traditional day of ABM programming that will feel familiar to previous attendees. We will start our day with association business and the election of CALBO officers for the upcoming year, and then head straight into programs, panels, and presentations. The programs chosen for Wednesday were designed to be substantive and of interest to all ABM attendees. We'll end our day at the CALBO President's Dinner for a fun, interactive and informative dinner at Sea World.

### What Flexibility Do We Have? A Panel Discussion on Building Official Discretion and CBC 104

Code books are printed in black and white, but that doesn't mean the same for the job of the Building Official. We are all challenged on a daily basis with balancing the wants of applicants, the dreams of our elected officials, and the needs of a safe-built environment. Not to worry, finding that balance is indeed possible. Join in as we explore practical uses of a Building Official's discretion as granted in the code and state law, as well as hearing real-world examples from the panelists and other attendees. This session will stimulate your thinking and motivate you to return home and engage in the daily challenges. The only prerequisite is to come with an open mind.

**Moderator:** *Brad Wungluck, City of Manteca*

**3:00pm – 4:15pm** | Bayview

### Legislative Updates and Government Affairs in the Year Ahead

It's a new year for our state government. With new leadership in place in Sacramento, 2019 is destined to be a busy year on the government affairs front. Please join CALBO's advocacy team for a discussion on bills of interest from the previous year, newly-introduced legislation in addition to the political climate in California.

**Moderator:** *Katie Almand, CALBO's Government Affairs Manager*

**6:00pm – 9:30pm** | Sea World

### President's Reception & Dinner

Have you ever had Sea World all to yourself? Well, along with your CALBO friends, this is your chance! Please join President Janes for a night at Sea World. On arrival, grab a beverage and sit down in Shamu Stadium for a private and informative orca show. Following the show, we'll dine under the stars with the Wild Arctic and Penguin Encounter pavilions all to ourselves. This is a very special opportunity to intimately enjoy one of San Diego's world-renown attractions. Busses will begin departures from the Hyatt hotel at approximately 5:45pm.
