2016 Energy Standards: Nonresidential HVAC Requirements

ICC PP Course #: 16724 – 0.6 CEUs

AIA Course #: 28:2018 – 6 AIA LUs

This course will review the 2016 Building Energy Efficiency Standards for nonresidential, high-rise residential and hotel/motel heating, ventilation, and air conditioning requirements. The objective of this course is to increase the participants' understanding of Title 24, Part 6. This course highlights resources and includes discussion about enforcement issues including identifying compliance triggers, verifying compliance at permit, and verifying measures and efficiencies at final inspection. Through this training, participants will be provided with the knowledge and tools necessary to enforce and comply with the 2016 Energy Standards. Topics include air distribution, ventilation, controls, commissioning, mandatory measures, performance and prescriptive requirements and acceptance testing.
